**\*\*This application will NOT be processed until ALL documents have been received\*\***

### Information about the RVBA Scholarship Fund

The RVBA Children's Camp Scholarship Fund has been created to help individuals who would otherwise not have the opportunity to attend Children's Missions Camp. The scholarship fund is made possible by contributions from individuals and churches who want to give back to the children of the Roanoke Valley. If you would like to make a contribution to the RVBA Children's Camp Scholarship Fund you may send it to the Roanoke Valley Baptist Association. Please be sure to mark "*Children's Camp Scholarship Fund*" on the envelope.

### Make Your Scholarship Application Count

- Be sure to fill out this application in its entirety. Applications missing information, including requested letters, will NOT be reviewed.
- Registering your child before scholarships are awarded will not guarantee funding assistance.
- Scholarships are given out on a first come, first serve basis, and are given out in good faith that those requesting them would not be able to afford camp otherwise. Please note that many children request scholarships each year, and once they are gone, they are gone. We want each child to have the chance to go to camp, despite any financial difficulty their families may be under. Please only apply if your child needs a scholarship.
  - If you or your child have made effort to save or earn money for camp, mention it in your letters. Partial scholarships may be available, thus allowing more campers to attend on scholarship. Your child's letter or parent/guardian letter should discuss his or her love of missions and how the applicant believes camp attendance will help them become a better person.
- Limited funds are available
- You will be notified via email or regular U.S. mail if an award is made in your child's name. Please select how you would like to be contacted in the application section. We will continue reviewing applications until all award funding has been

distributed. Applications should be submitted as soon as possible. There are a limited number of scholarships available. Those applications which are received less than 30 days prior to camp may not be reviewed.

- Scholarships are intended for those who would not be able to attend camp without assistance.
- This application is for scholarship purposes only. You must complete camp registration, which is a different form. The registration form is available at [RVBA.org](http://RVBA.org)

\*\*\*All camp attendees are expected to stay for the entire week of camp. If your child does not plan to stay for the entire week, please do not request scholarship funds, as they are limited and can be used to sponsor children who plan to stay at camp the whole week. Any camper who goes to camp on scholarship that leaves before camp is over, unless by a Camp Director's request due to a medical or family emergency, will forfeit their camp scholarship and will not be eligible to receive scholarships for camp in future years. A full payment of \$50 will be charged to the parent/guardian of the camper who leaves camp early without sufficient reason. \*\*\*
