

## Collecting Hygiene Kits

Hygiene kits are a great way to help residents affected by disaster to take care of basic, every day needs. You can help assemble these kits!

Virginia Baptist Disaster Response, in support of Virginia Department of Emergency Management, is asking churches to create hygiene kits which will be available as refugees from Afghanistan come to the United States and move toward resettlement. They will also be making hygiene kits available for those affected by hurricane Henri, Ida or future storms.

## Kit Contents

Please donate complete kits only, not individual toiletry items.

Place small or travel-sized items in 1-gallon sealable/Ziploc plastic bag:

- Soap
- Shampoo
- Deodorant
- Washcloth
- Comb/brush
- Facial tissue
- Shaving cream/razor
- Toothbrush/toothpaste
