

## Ward Haven Update

Dear RVBA Family,

At the RVBA Spring meeting, a motion was passed to put Ward Haven Camp on the market to sell. We wanted to inform you that we have a potential contract on the property. The potential buyer has shown genuine enthusiasm for the property and shares our vision for its future and desires to retain the Ward Haven name as he intends to use it as a camp. While we are still in the negotiation phase, the initial discussions have been positive, and we are optimistic about the outcome. We wanted to keep everyone informed and we will send more details as they become available.

In Christ,

Scott Hamilton

RVBA Interim Associational Mission Strategist
